

IMPORTANT INFORMATION FOR FUTURE RETIREES

As we advised you of in the last issue of Info Insurance, the current retiree insurance plan, Policy 1011, will remain in force until April 30, 2017, without any increases.

Two important changes to the group insurance policy open to FNEEQ-member retirees will come into effect as of May 1, 2017:

- to be eligible, the retiree **must be a member of the Association des retraitées et retraités de l'enseignement de la FNEEQ (AREF)**. This policy provides both health insurance coverage (excluding the list of prescription drugs covered by the *Régie de l'assurance maladie du Québec (RAMQ)*) and life insurance coverage (see *Summary of coverage* below);
- **prescription drugs covered by the Régie de l'assurance maladie du Québec will no longer be reimbursable** under the group insurance plan. Accordingly, all retirees living in Quebec **will need to register for the RAMQ Public Prescription Drug Insurance Plan** to have their medication reimbursed, unless they are under the age of 65 and enrolled in another group insurance plan (that of a spouse, for example). Retirees living in another province will need to register for the public plan in their province of residence, if applicable.

To help you make an informed decision, we encourage you to read the following documents intended for future retirees:

- [Summary of coverage – in English \(replaces the existing brochure\)](#)
- [New enrollment form – in English](#)
- [Rates in effect as of May 1, 2017 – in English](#)
- New AREF [pamphlet](#) and [membership form](#) (attached).

In conclusion

If you are retiring and **wish to enroll** in the new policy 1011 taking effect May 1, 2017, you must, **within the 30 days following your date of retirement**:

- 1 - Complete the AREF membership form;**
- 2 - Complete the new enrollment form for Policy 1011;**
- 3 - Send both documents to the AREF at the address indicated on the forms.**

If you are retiring and **do not wish to enroll** in the new Policy 1011 taking effect May 1, 2017, no action is required on your part.

NOTE!

If you wish to become a member of the AREF **without enrolling** in the new Policy 1011, we suggest you wait until **July 1, 2017**, to do so in order to avoid confusion. The AREF is in the midst of a major membership campaign for retirees seeking to enroll in the new Policy 1011.

Welcome!

AREF Objectives

Mission: In the spirit of solidarity, to unite retirees with common interests.

A. Promote, defend and safeguard the interests of the association members as the policyholder of a group insurance contract, including disability insurance.

B. Promote its members' economic, cultural and social interests to social and political decision-makers.

C. Contribute to public discussions in collaboration with associations or groups in the fields of education and social, economic and cultural development.

D. Develop, with the help of other organizations, programs and services catering to the needs of retirees.

E. Contribute to individual or group social, cultural or intellectual projects initiated across Quebec.

F. Inform and communicate with members of the Association, the FNEEQ and other groups with common interests, using appropriate methods.
